ACT OF INCORPORATION.

AN ACT to revive, with amendments, An Act to incorporate the Medical Society of the District of Columbia.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That Frederick May, M. D., Alexander McWilliams, M. D., Henry Huntt, M. D., N. P. Causin, M. D., W. Jones, M. D., Richmond Johnson, M. D., Thomas Sewall, M. D., George W. May, M. D., Nicholas W. Worthington, M. D., Joshua Reily, M. D., James S. Gunnell, M. D., Harvey Lindsly, M. D., James C. Hall, M. D., Thomas Miller, M. D., Joseph Borrows, M. D., Alexander McD. Davis, M. D., Benjamin King, M. D., Noble Young, M. D., H. F. Condict, M. D., W. B. Magruder, M. D., Peregrine Warfield, M. D., J. B. Blake, M. D., and such other persons as they may from time to time elect, and their successors, are hereby declared to be a community, corporation, and body politic, forever, or until Congress shall by law direct this charter to cease and determine, by and under the name and title of the Medical Society of the District of Columbia; and by and under the same name and title they shall be able and capable in law to purchase, take, have, and enjoy, to them and their successors, in fee or for lease, estate or estates, any land, tenements, rents, annuities, chattels, bank stock, registered debts, or other public securities within the District, by the gift, bargain, sale, demise, or of any person or persons, bodies politic or corporate, capable to make the same, and the same, at their pleasure, to alien, sell, transfer, or lease and apply, to such purposes as they may adjudge most conducive to the promoting and disseminating medical and surgical knowledge, and for no other purpose whatever: *Provided, nevertheless*, That the said Society or body politic shall not, at any one time, hold or possess property, real, personal, or mixed, exceeding in total value the sum of six thousand dollars per annum.

Sec. 2. *And be it further enacted*, That the members of the said Society above designated shall hold, in the City of Washington, two stated meetings in every year, viz: on the first Monday in January and July; the officers of the Society to consist of a President, two Vice Presidents, one Corresponding Secretary, one Recording Secretary, one Treasurer, and one Librarian, who shall be appointed on the first Monday in July, one thousand eight hundred and thirty-eight, and on the annual meeting in January forever thereafter, and who shall hold their offices for one year, and until others are chosen in their stead, (not less than seven members being present at such meeting;) and the Society may make a common seal, and may elect into their body such medical and chirurgical practitioners, within the District of Columbia, as they may deem qualified to become members of the Society, it being understood that the officers of the Society now elected are to remain in office until the next election after the passage of this act.

Sec. 3. *And be it further enacted*, That it shall and may be lawful for the said Medical Society, or any number of them attending, (not less than seven,) to elect by ballot five persons, residents of the District of Columbia, whose duty it shall be to grant licenses to such medical and chirurgical gentlemen as they may, upon a full examination, judge qualified to practice the medical and chirurgical arts, or as may produce a diploma from some respectable medical college or society, each person so obtaining a certificate to pay a sum, not exceeding ten dollars, to be fixed on or ascertained by the Society.

Sec. 4. *And be it further enacted*, That any three of the examiners shall constitute a board for examining such candidates as may apply, and shall subscribe their names to each certificate by them granted, which certificate shall also be countersigned by the President of the Society, and have the seal of the Society affixed thereto by the Secretary, upon paying into the hands of the Treasurer the sum of money to be ascertained as above by the Society; and any one of the said examiners may grant a license to practice until a board in conformity to this act can be held: *Provided*, That nothing

herein contained shall authorize the said corporation in anywise to regulate the practice of medical or chirurgical attendance on such persons as may need those services, nor to establish or fix a tariff of charges or fees for medical attendance or advice, or to interfere in any way with charges or fees for medical attendance or advice.

SEC. 5. *And be it further enacted*, That after the appointment of the aforesaid medical board no person, not heretofore a practitioner of medicine or surgery within the District of Columbia, shall be allowed to practice within the said District, in either of said branches, without first having obtained a license, testified as by this law directed, or the production of a diploma from a respectable medical college or a board of examiners established by law: *Provided*, That the professors in such college, or the examiners in such board, be men regularly instructed in medicine and surgery, and the collateral branches of medical education, anatomy, chemistry, under the penalty of fifty dollars for each offense, to be recovered in the county court where he may reside, by bill of presentment and indictment, one-half for the use of the Society, and the other for that of the informer.

SEC. 6. *And be it further enacted*, That every person who upon application shall be elected a member of the Medical Society, shall pay a sum not exceeding ten dollars, to be ascertained by the Society.

SEC. 7. *And be it further enacted*, That the Medical Society be, and they are hereby, empowered, from time to time, to make such by-laws, rules, and regulations as they may find requisite; which by-laws, rules, and regulations shall, in their application and operation, be exclusively confined to said Society, as a Society or body corporate, and not to its members individually, when not acting in a corporate character; to break or alter their common seal; to fix the times and places for the meetings of the boards of examiners; filling up vacancies in the medical board; and to do and perform such other things as may be requisite for carrying this act into execution, and which may not be repugnant to the Constitution and laws of the United States: *Provided, always*, That it shall and may be lawful for any person, resident as aforesaid, and not prohibited as aforesaid, when specially sent for, to come into any part of this District and administer or prescribe medicine, or perform any operation for the relief of such, to whose assistance he may be sent for: *And provided also*, That nothing in this act contained shall be so construed as to prevent any person, living within or without said District, from administering medicine, or performing any surgical operation, with the consent of the person or the attendants of the person to whom such medicine is administered, or upon whom such surgical operation is performed, without fee or reward; nor to prevent the giving advice or assistance in any way to the sick or afflicted, upon charity and kindness; nor to prevent the receipt of reward for the same, if voluntarily tendered or made; nor to extend to midwifery by females; and any person so administering medicine or performing any surgical operation, not authorized to practice physic and surgery agreeably to the provisions of this act, shall be prohibited from collecting any fee or reward for the same by any process at law: *And be it further provided*, That no person shall be admitted to an examination until he shall produce satisfactory evidence that he has studied physic and surgery three years, including one full course of medical lectures, as usually taught at medical schools, or four years without such a course of lectures.

SEC. 8. *And be it further enacted*, That Congress may at any time alter, amend, or annul this act of incorporation of said Society at pleasure.

JAMES K. POLK,

Speaker of the House of Representatives.

RD. M. JOHNSON,

Vice-President of the United States and President of the Senate.

M. VAN BUREN.

Approved July 7, 1838.

CONSTITUTION.

ARTICLE I.

This Society shall be called the Medical Society of the District of Columbia.

ARTICLE II.

The objects of this Society shall be the granting of licenses agreeably to the provisions of the charter, and the consideration and promotion of all subjects connected with medicine and the collateral branches of the science.

ARTICLE III.

SEC. 1. There shall be two sessions of this Society annually—the first beginning with the Stated Meeting fixed by the charter on the first Monday in January, and the second beginning with the Stated Meeting on the first Monday in July.

SEC. 2. Special meetings shall be called by the President, or one of the Vice-Presidents, on application being made in writing by three of the members. The Stated Meetings shall be advertised by the Recording Secretary at least three times, and all special meetings at least once, in one or more newspapers of this District.

SEC. 3. During each session the Society may hold Regular Meetings for the promotion and dissemination of medical science.

ARTICLE IV.

SEC. 1. There shall be the following Officers of this Society, viz: one President, two Vice-Presidents, one Corresponding Secretary, one Recording Secretary, one Treasurer, and one Librarian.

SEC. 2. The Officers of the Medical Society, the Board of Examiners, and the Delegates to the American Medical Association shall be chosen from the resident members, as follows: The Officers and Board of Examiners by ballot of a majority of the members present at the Annual Meeting in January; the Delegates by a ballot of a majority of the members present at a Regular Meeting in April.

SEC. 3. There shall also be a Board of Censors, consisting of three members, to be elected in the same manner as the officers.

SEC. 4. In case of the death, resignation, or removal of any officer or member of either Board, an election may be held at any Regular Meeting to fill the vacancy.

ARTICLE V.

SEC. 1. The Society shall consist of honorary and resident members.

SEC. 2. Any person not residing in the District of Columbia, who has obtained a degree in medicine, or is eminent in the practice of physic, or any of the branches thereof, *or any resident medical man not engaged in practice, or who has grown old in the profession and retired from practice*, may be proposed as an honorary member. He shall be proposed by two members, at one of the Stated Meetings, and may be balloted for at the next Stated Meeting, and a concurrence of three-fourths of the members present shall be necessary for his admission.

SEC. 3. Members by invitation: Surgeons in the U. S. Army, Navy and Marine Hospital Service, temporarily residing in the District of Columbia, and not engaged in private practice, may upon the nomination in writing by two members, at any Regular Meeting be elected members by invitation. Such members by invitation shall have the privilege of attending all the meetings of the Society, of reading papers, presenting pathological specimens, and of participating in all the discussions before the Society on medical or scientific subjects, but shall not vote or hold office. No nomination shall be voted upon until it shall have been read at three successive Regular Meetings, and no physician shall be elected except by a two-thirds vote of the members voting.

SEC. 4. Resident members shall consist of medical practitioners residing in the District of Columbia, and for their admission it shall be necessary that they shall have received a license from the Board of Examiners of the Society. Candidates for membership shall be proposed to the Medical Society upon the written request of the applicants, and only at the Stated Meetings in January and July; shall be recommended by the Board of Censors, and shall have been licentiates under the charter for the period of one year, at least, next preceding their election. They may be balloted for only at the first Regular Meeting in the ensuing April or October after their nomination, when it shall require the concurrence of three-fourths of the members present for their admission; and

every practitioner so elected shall have previously paid to the Treasurer of the Society a fee of one dollar, and shall be received as a member on signing the Constitution and Laws of the Society.

SEC. 5. None but Resident Members shall be entitled to attend the Stated Meetings, to hold office, or to vote upon any subject connected with the management of the Society, or in any of the elections. Honorary Members shall have the privilege of attending all Regular Meetings of this Society held for the discussion of medical subjects and of participating in such discussion.

ARTICLE VI.

If any member be desirous of leaving the Society, he shall signify it in a written communication; which, being read, shall lie over till the ensuing meeting; when, with the consent of the Society, his resignation shall be accepted; but he shall not be permitted to resign until he has discharged the arrears due from him to the Society.

ARTICLE VII.

SEC. 1. The Regular Meetings of the Society for the advancement of professional knowledge shall be conducted through the medium of a Committee on Essays, consisting of three members, appointed by the President at the first Regular Meeting in January, who will provide the facilities for the presentation and publication of medical essays.

SEC. 2. The Committee on Essays shall, at the commencement of each session, present the names of ten members agreeing to furnish essays on medical subjects. Such members, thus assenting, may provide a substitute.

SEC. 3. Discussion on all medical papers, presented under the foregoing provisions, shall continue until closed by a formal vote made to close debate, which being carried, the author shall have the privilege of closing debate.

ARTICLE VIII.

All propositions for altering the Constitution shall lie over at least one Stated Meeting previous to being acted on, and shall then require the concurrence of two-thirds of the members present for their adoption.

BY-LAWS.

I.—OF THE PRESIDENT.

The President shall preside at all meetings of the Society, to preserve order and decorum; and may fine any member acting disorderly, in a sum not exceeding ten dollars; from whose decision the member incurring the fine may appeal to the Society.

II.—OF THE VICE-PRESIDENTS.

In the absence of the President, his duty shall devolve on the Vice-Presidents, so that they shall preside alternately at such meetings of the Society. And if neither the President nor a Vice-President be present, a chairman shall be chosen from the members attending, who shall for that meeting exercise all the privileges and duties of the President.

III.—OF THE CORRESPONDING SECRETARY.

It shall be the duty of the Corresponding Secretary to manage all matters of correspondence in behalf of the Society; to give notice to members and officers of their election; to write and answer letters; and respectfully to solicit from medical societies, faculties, and individuals information calculated to benefit the science of medicine; all which correspondence he shall lay before the Society at the next succeeding Stated Meeting; and shall be the custodian of the seal of the Society.

IV.—OF THE RECORDING SECRETARY.

The Recording Secretary shall attend each meeting of the Society; call over the names of the members, and take down the minutes, which he shall read at the next meeting, and which, when corrected, he shall copy into a book kept for that purpose, and to which entry he shall sign his name. He shall also insert the reports of committees at full length; he shall read all letters and papers relating to the business of the Society, which do not particularly belong to the department of the Corresponding Secretary; and transcribe into a proper book such of them as the Society may think worthy to be preserved. He shall deliver to the Treasurer a correct statement of the fines incurred at each meeting. If he should be unable to attend a meeting of the Society, he shall give due notice of it by transmitting all the papers required to the meeting.

V.—OF THE TREASURER.

The Treasurer shall collect all moneys due to the Society, receive all donations of money which shall be made to the Society, which he shall deposit in bank to its credit, and shall pay the same agreeably to order certified to him by the President, Vice-President, or member who was in the chair when such order was made. He shall keep a regular account of all moneys received and paid by him as aforesaid; and once every year, or oftener, if required by the Society, shall render a statement of the funds in bank, and of the disbursements; and shall deliver up to his successor the books and all papers belonging to the Society, together with the balance of cash; and for the faithful discharge of his trust shall give satisfactory security to the President, within one month after being appointed.

VI.—OF THE LIBRARIAN.

The Librarian shall take charge of, and preserve for the use of the Society, all property of whatever kind it may be, money excepted, of which the Society may become possessed, and keep a correct list of the same, together with the respective names of the donors, in a book provided for that purpose, which book shall be laid before the Society as often as called for. The Librarian shall give such a receipt for everything committed to his care or charge as the Society may direct; and at the end of his term shall deliver up the same to his successor. He shall report the state of the Library to the Society at its Annual Meeting in each year.

VII.—OF THE BOARD OF EXAMINERS.

A Board of Examiners, consisting of five resident members, shall be elected by ballot at each Annual Meeting, whose duty it shall be to grant licenses, upon the payment of ten dollars, to such medical and chirurgical gentlemen as they may, upon a full examination, judge qualified to practice the medical and chirurgical arts. No one shall receive a license until he shall, in conformity with the requisitions of the charter, produce a diploma from some respectable medical college or society, or shall furnish satisfactory evidence that he has studied physic and surgery three years, including one full course of medical lectures, as usually taught at the medical schools, or four years without such a course of lectures, and shall have passed a satisfactory examination be-

fore the Board of Examiners. A majority of the Board shall constitute a quorum for business, and shall elect their own chairman. The Board shall keep a record of its proceedings, to be reported to the Society at its Annual Meeting. The Board shall meet on the first Wednesday in every month, at such hour and place as they may determine.

VIII.—OF THE BOARD OF CENSORS.

To the Board of Censors shall be referred the name of every person nominated for election as resident member or honorary member of the Society, and no election for resident member or honorary member shall be held until the said Board, after due investigation, shall report to the Society upon the character and qualifications of the person so referred. All charges of unprofessional or ungentlemanly conduct made to the Society against any member shall also be referred to this Board, who shall report thereupon.

IX.—OF MOTIONS.

Any member may make whatever motion he thinks will tend to the benefit of the Society; his proposal or motion must be given to the President in writing; and it shall be immediately voted or balloted for, unless a majority of the members present wish it to lie over for consideration. In either case, it shall be recorded on the minutes of the Society.

X.—OF THE ORDER OF DEBATE.

No member shall interrupt the President, or any other member, while speaking; every member shall stand while speaking, and address himself to the President.

XI.—OF DECORUM.

No member or members shall be permitted to sit or stand with his or their heads covered.

XII.—OF ATTENDANCE AT MEETINGS.

No member shall be permitted to retire after the calling of his name, without permission from the President, until the Society has adjourned.

XIII.—OF A QUORUM.

At each meeting of the Society any number not less than seven shall constitute a quorum.

XIV.—OF VISITORS.

Medical men or men learned in the collateral branches of science on a visit to the District of Columbia, not members of this Society, may be permitted to attend meetings, on being introduced by a member of the Society.

XV.—ROUTINE OF BUSINESS.

At each Regular Meeting of the Society, as soon as the President takes the chair, and the meeting is constituted, the following shall be the order of proceeding:

1. The Minutes shall be read.
2. The Election for Candidates for Membership. (At the first Regular Meetings in April and October.)
3. Nomination of Candidates for Membership. (At the Stated Meetings.)
4. Report of Treasurer. (At the first Regular Meeting in each month.)
5. Reports of Committees.
6. Report of Corresponding Secretary.
7. Miscellaneous Business.
8. Pathological Specimens.
9. Unfinished Debates on Medical Papers.
10. Medical Papers and Essays read or presented for consideration.

All meetings of the Society shall commence at 8 o'clock, P. M.

By a rule of the Society, thirty minutes are allowed for all items in this routine of business up to the 8th.

The regular business of the Stated Meetings shall not be suspended for the consideration of any other matter; and if such business shall not be concluded at the meeting on the first Monday in January, or the first Monday in July, the Stated Meeting may be adjourned from day to day, or from week to week, until that business is finished, when the Stated Meeting shall close and the Regular Meeting may commence. The Regular Meetings shall be held on Wednesday of each week.

XVI.—OF CONTRIBUTIONS.

The expenses of the Society shall be defrayed by the fees paid into the Treasury, and by special assessments made upon the resident members, from time to time, as occasion may require; and

any resident member who shall neglect to pay his assessment for two years, except in case of absence from the District, shall forfeit his membership.

XVII.

The preceding Constitutional Ordinance and By-Laws, being adopted for the future regulation of the Society, all others not contained in this summary are hereby repealed; and all propositions for altering the foregoing Constitution or By-Laws shall be made at one Stated Meeting and shall not be taken up for action until the next Stated Meeting; and such proposed amendments shall be read by the Recording Secretary at each of the last three Regular Meetings preceding the Stated Meeting at which such action is to be had.

XVIII.

The routine of business of the Regular Meetings shall not be suspended except by a vote of two-thirds of the members present.
